techstream  
LITE

Supplement your  
existing Techstream  
Diagnostic System!

**\$495.00**

MODEL NO. TSLP3DLR01

Techstream LITE is a supplemental diagnostic platform comprised of: Techstream diagnostic software, a generic Laptop/PC and a Techstream LITE kit. The kit includes a Vehicle Interface Module that allows diagnostic and reprogramming capabilities.

Use the Techstream LITE kit with any PC connected to the dealership's network and meeting minimum requirements.\*

**Kit Contents:**

- Mongoose-Plus™ MFC3 VIM – J2534 Vehicle Interface Module that allows Techstream software to connect to a vehicle.
- Techstream LITE Kit Installation Instructions.

**NOTE: Techstream software is not included.** Dealer technicians can download from TIS via the Dealer Daily network.

**Features and Benefits:**

- Supports most 1996 and newer Toyota and Lexus vehicles with DLC3/OBDII diagnostics.†
- Allows most computers, ranging from a netbook to a fully-featured PC, to use factory Techstream Software.
- Compact interface module integrated into DLC3 cable.
- Affordable means of providing every technician in the shop powerful diagnostic capabilities.

**Warranty:** 12 Months from date of shipment to be free from physical defects in material and workmanship under normal use.

Disclaimers: (1) Techstream LITE Kit cannot be used to fulfill the Toyota/Lexus requirements of 1 Techstream for every 5 technicians; (2) Any PC used must meet minimum requirements. PC not included; (3) Product information and pricing are subject to change without notice. Prices noted are in U.S. dollars.  
† 2020 and newer GR Supra requires an additional diagnostic cable.

*\*See page 2 for Technical Information and Minimum PC Requirements >>*
